

CSR activities carried out during the financial year 2018-19 and its impact

A. Name of the implementing Agency- YOUTHREACH

S.No.	Activities carried out in Nalagarh	Impact on beneficiaries
I	<u>IMPROVE ACCESS TO THE GOVT.SCHEME</u>	
	In an effort to plug in gaps between Govt. welfare schemes and citizen access, efforts were made to implement a program aimed at providing access to information that helps communities and their members to utilize government subsidies and entitlements that are designed by GoI to address various development themes.	Youthreach has designed a four year programme that will reach out to approximately 75,000 people in 150 villages in 30 panchayats in Nalagarh Block, Himachal Pradesh. Current status of the programme: <ul style="list-style-type: none"> The programme design has been prepared. Based on the same, the team will look into resource mobilization and partnering with government departments as well as technology based organizations to be able to effectively implement the programme.
II	<u>HEALTH</u>	
	Initiated a Health programme using Health Cube device for the truck drivers at the Nalagarh Truck Union. The process to set up the lab at the Truck Union is under process.	The programme will address the health issues of truckers by introducing diagnostic as well curative measures to improve their health status.
III	<u>WASH AND SANITATION</u>	
	A total of 14 awareness activities were carried out in 2018-19 which included group awareness sessions on prevention of diseases and cure, water conservation, sanitation and hygiene demonstration sessions at schools, celebrating important events, conducting rallies and toilet contribution collection.	- Community members are more aware and conscious about their personal health and hygiene as well as community sanitation, housekeeping, cleanliness in the surrounding areas and wastage disposal. - A total of Rs. 30,100 was collected from the community members as contribution toward the construction of toilet.
IV	<u>AGRICULTURE</u>	
	56 awareness/ training/ assistive activities were conducted for the farmers to inform them about irrigation and seed techniques, seeds sowing	A total of 4447 community members were impacted through the various activities on agriculture in 2018-19.

	<p>techniques, varieties of better quality seeds, cash crops, subsidies provided by the government on various schemes, formalities to avail these schemes, subsidies on equipment, procurement of seeds and benefit of organic farming.</p> <p>Youthreach informed the farmers about vermi Compost beds provided by Horticulture Development Department.</p>	<p>With the assistance from the Youthreach team 1240 farmers from 22 villages procured vegetable seeds while 15 community members procured equipments at a subsidised price from the ADO and HDO.</p> <p>It was observed that after organising such awareness camps the farmers are now more open to interacting with the govt. officials and visiting the govt. departments. Few of the farmers have availed the scheme on solar fencing post attending these awareness camps. With these awareness camps 100 farmers were covered.</p>
V	<u>ENTERPRISE DEVELOPMENT</u>	
	<p>In 2018-19, The Chetna Milk Producer and Marketing Cooperative Society entered into its third year of operation. The Society had 68 members along with 24 non members by the end of 2018-19. On an average daily 46 community members sell their milk output at the Chetna Milk collection centre.</p> <p>The Chetna Milk Producer and Marketing Cooperative Society collected 60,095 kgs of milk and sold it to the HP Milk Federation. With this, the Society did a total business of approx. Rs.28 lacs with a profit of approx. Rs. 0.40 lacs.</p> <p>Youthreach conducted two awareness activities on dairy farming in the newly adopted villages namely Palli and Gurdaspur and two awareness activities in Jhiriwal and Harinagar where community members were told about the importance of dairy farming as an additional source of income besides agriculture.</p>	<ol style="list-style-type: none"> 1. Cooperative Society provided them a platform to sell surplus milk, which earlier they would offer to neighbours or just use it at home. 2. It created additional source of income. 3. Beneficiaries purchased more animals as the cooperative society provided them with a platform to sell their product. <p>In one of the case studies, Mr.Kisan Chand, 62 years, used to sell about 5 kgs of milk at Panjehra, a village located far off from his village. When The Chetna Milk Producer and Marketing Cooperative Society came into existence, Kishan Chand became member of society and started selling milk at the Chetna Milk collection centre. After observing that the Society is stable and self-sustaining, he decided to expand his dairy business. Now Kishan Chand sells 15 Kgs of milk at the Chetna Milk Collection Centre. Putting aside all his expenses on the livestock's health, fodder and nutrition he earns a net profit of Rs. 11250/- per month.</p>

B. Name of The Implementing Agency- THE NABHA FOUNDATION

S.No.	Activities carried out in Nabha	Impact on beneficiaries
I	<u>NAVI DISHA SCHOOLS (NDS)</u>	
1.	5 Primary schools across Nabha rural belt were set up to build academic excellence.	1. Initially the enrolment focused on disadvantaged sects of society but now after showing exceptional results, children from all backgrounds receive similar education in an integrated manner without any discrimination.
2.	Learning achievements of Navi Disha School children.	2. Due to the varied teaching methods used, the students from NDS have a commendable base. They are comparatively brighter and sharper than other students. The schools maintain individual portfolio for each student to track their learning progress throughout the year which becomes an important tool for both teachers and parents to understand the child's progress and actively participate in his or her learning. NDS Students are being preferred for admission in good schools in the region and some of the students are pursuing higher studies after finishing school.
3.	Extra-Curricular Activities.	Activities like recycling, Art Exhibitions, Educational Trips, celebrating festivals and national days are being regularly performed to encourage students to grow up as a responsible citizen and boost their creativity.
4.	Teacher Training.	The teachers of NDS participate in several capacity building workshops which train them to deal with several subjective situations effectively. Workshops at Bodh Shiksha Samiti, Jaipur are regularly conducted which make the teachers also learn and grow constantly.
5.	Community Collaboration.	Local community and parents take keen interest and participate in NDS activities. The community steps in time to time to fulfill the needs of the schools by donating various items like furniture (tables, benches donated to NDS Dulladi, Mandour). Further they have

		helped organise sports and cultural events at Sahouli, Mandour & Lubana Teku schools on various occasions. RO system for pure drinking water for children has been donated in the Dulladi & Lubana Teku schools by the community.
II.	<u>MAHARANI GURCHARAN KAUR EURO GROUP PREPARATORY SCHOOL, NABHA</u>	
	The school was inaugurated in 2017 and the enrollment from nursery to sixth is 115 students. Efforts are being made to ensure more children take admission in the school.	The school is picking up at a good pace and should make a mark in the region in the coming years.
