Notes:
 1 The above results were reviewed by the Audit Committee and thereafter were approved by the Board of Directors in their meeting held on 25th July, 2014. The above results are extracts from the Audited Financial statements for the quarter ended 30th June, 2014.
 2 The Company has only one primary business segment. Hence, no separate segment wise information of revenue, results and capital employed is given.
 3 (a) Till March 31, 2014, the Company was using the 'Written Down Value' (WDV) method of providing depreciation on Office equipments, Furnitures & fixtures and Vehicles. To follow uniform basis of calculation of depreciation on all kinds of fixed assets, the Company has, during the current quarter, changed with retrospective effect its method of providing depreciation on these fixed assets from the 'Written Down Value' method to the 'Straight Line' method (SLM) at the prescribed rates. Had the Company continued to use the earlier policy of depreciating the above mentioned fixed assets, the profit before tax for the current period would have been lower by Rs. 35.91 lacs and the net block of the fixed assets would correspondingly have been lower by Rs. 35.91 lacs.
 (b) In accordance with Companies Act, 2013, the Company has during the current quarter, revised the useful life of its fixed assets to comply with the life as mentioned under Schedule II of the Companies Act, 2013, and as per the transition provisions, the Company has adjusted Rs.15.15 lacs (net of deferred tax of Rs. 4.73 lacs) with the opening balances of retained earnings i.e. surplus in the statement of profit and loss. However, this change does not have a material impact on the profit for the current quarter.
 4 Previous year/period's figures have been regrouped wherever necessary to conform to this year's/period's classification.
