2. This Statement, which is the responsibility of the Company's Management and approved by Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act') and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 '*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*', issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

- 6 The valuation of the Company's investment in Compulsorily Convertible Cumulative Preference Shares (CCCPs) of foreign company with face value of USD 1.80 million (Rs 12 crore) has been internally carried out by the Company using the Discounted Cash Flow (DCF) under the Income Approach. The underlying asset of foreign company being Oil exploration rights is located in Nigeria. The valuation is, however, dependent on management assumptions relating to commencement of production, oil prices, operating costs, and regulatory environment etc.
- 7 Effective 21 November 2025, The Government of India has consolidated multiple existing labour legislations into a unified framework comprising four Labour Codes collectively referred to as the 'New Labour Codes'. The New Labour Codes has resulted in estimated one time increase in provision for employee benefits in the nature of gratuity and leave encashment of the Company of Rs 13.59 lakhs, which has been recognized as an employee benefit expense in the current reporting period.
